

## **Sarah Brightman Cancels August Tour Dates Including Cynthia Woods Mitchell Pavilion Show**

(June 17, 2014) An injury has forced Sarah Brightman to cancel her upcoming August 2014 Tour Dates for her Dreamchaser Tour. This includes her August 14th Woodlands Performance. In a statement, Ms. Brightman announced: "I have suffered a hairline fracture to my ankle and have been advised by my doctors to rest it until September by which time it will have fully recovered. I have, regrettably, taken the decision to cancel my forthcoming US dates in August.

I truly apologize for any disappointment caused."

Refunds are available at point of purchase. Tickets purchased online will be automatically refunded.
